

*Can You Spare a  
Pair of Shoes?*

***Can You Spare a Pair of Shoes?*** is a targeted program to raise funds that will be donated to the Sunflowers Orphanage, an N.G.O. in Zambia established for the orphaned survivors of parents who've died of AIDS. In order for these orphans to attend school, shoes are one of the most desperately needed and outgrown commodities. The Sunflowers Orphanage has been led by a trusted past colleague of Amy Serrano and we've successfully collaborated on this before.

- o Currently, there are about 120 children at the orphanage with some who are also HIV positive
- o Funds are raised to send to this orphanage for the purchase of children's shoes.
- o As part of each campaign, educational information will be shared in order to inform the public on the impact of HIV/AIDS in Africa and specifically in Zambia, with demographical data on the infection rates of men, women, and children, and the social factors leading to these cases
- o This is an Annual Summer Campaign so children can start school in the Fall
